Subject: Short-term menthol follow-up

Sensitivity: Confidential

Jan,

This message is to document our conversation last evening. The following subjects needed approval:

DAS- checked in with no photo id - decision was made to disqualify the subject. Fortunately the subject was able to go the DMV and acquire a picture drivers license so she is now ok.

RDS- checked in with wrong cigarettes - decision was made to disqualify the subject.

V-S- checked in with wrong cigarettes and no photo government issued id, however she did have a work photo ID - decision was made to disqualify the subject due to checking in with the incorrect cigarettes.

F-B- cancelled prior to check in.

With this information, the final numbers are as follows:

Non-AA light males 19
AA light males 8
Non-AA light females 17
AA light females 5
Non-AA heavy males 23
AA heavy males 5
Non-AA heavy females 29 (+ 1 pending recheck)
AA heavy females 4 (+ 1 pending recheck)
Total subjects: 110 + 2 pending rechecks

Please let me know if you need any further information.

Best regards,
Megan
